culture
and
inspiration!

Start your day at **Chicago Botanic Garden** for 385 acres of awe and wonder. Around every bend, you'll discover something new; sparkling lakes, winding bridges and paths, breathtaking gardens including a tranquil Japanese garden, even a waterfall garden you can climb.

Hop aboard a tram tour or enjoy a walking tour. You can pair your tour with an exciting special event or a trip to see the trains in the **Model Railroad Garden**, and then relax in your own private dining space with a delicious boxed lunch or full buffet.

Continue on to the **Cuneo Museum and Gardens**. The **Mansion** with its opulent Venetian style architecture features a 30 foot high great hall with arcaded balconies, skylighted ceiling and grand staircase.

The **Grounds** encompass 75 serene acres with lakes, fountains, formal gardens, antique classical statuary, a private 9-hole golf course and a conservatory housing exotic plants.

Be inspired by the creativity surrounding **The Garden at Elawa Farm**. This former gentleman's farm houses the **Wildlife Discovery Center** and working gardens.

The **Garden Club** will be pleased to show you their gardens and explain the history of the farm. The **Garden Club** hosts several events a year including a farmer's and holiday market.

Take a late afternoon tour of **Lake Forest**—the "Newport of the West" originally conceived as a retreat from big city life providing quiet and beauty to socially prominent Chicago families.

Drive by elegant mansions, see **Market Square** designed by Howard Van Doren Shaw and **Marshall Field** and breeze along curvilinear, tree-lined streets with ravines, beautiful parks and a lovely beachfront. This glimpse of a unique Lake County city is provided by **My Kind of Town Tours & Events**.

The discoveries don't have to end... Relax a bit in one of our **Restful Spaces**. Lake County has over 60 hotels including four resorts!

Unwind on the lawn at **Ravinia Festival**, the summer home of the Chicago Symphony Orchestra and well-loved pop concerts. Or take a stroll to watch the sunset in beautiful **Ryerson Woods**.
