Start your day with chocolate! The **Long Grove Confectionery Chocolate Factory Tour** is in Buffalo Grove and only 10 minutes from Long Grove. Learn how they make those scrumptious chocolate covered strawberries and famous Myrtles®!

Give everyone a shopping guide and let them wander through the shops that include home accents, fashion, international food, art galleries, homemade and seasonal gifts. A scavenger hunt is always fun, make sure to include some tasty destinations such as **The Olive Tap** and others including coffee, wine, cheese, bakery items, apple treats and popcorn. **Ravens have invaded Long Grove**—another fun scavenger hunt that gets your group exploring.

The ladies will enjoy the high tea service at **Seasons of Long Grove** or everyone can relax on the patio at the **Long Grove Café**. The ducks like the company as they playfully swim in the mill pond.

Just another 5 minutes north is **Valentino Vineyards and Winery**. Tour the vineyard, taste award-winning wines and purchase some to enjoy later. And you can tell your friends that you met a real “Rudy Valentino”!

Dinner in one of Long Grove’s oldest establishments is a must—**The Village Tavern**. Make note of the grandfather clock, one of only two left from the Columbian Expo and the antique bar that survived the great McCormick Place fire. You’ll also want to make a toast as this tavern had the first liquor license in Lake County.

Arrange for an evening sing-a-long at the Tavern, see a musical at the nearby **Marriott Theatre** or watch some stars under the stars at **Ravinia Festival**.

All that fresh air can make your group sleepy! Group-friendly hotels that are close by include the relaxing **Hotel Indigo, Comfort Inn, Doubletree Hotel, Hampton Inn & Suites, SpringHill Suites, Staybridge Suites** or the new **Holiday Inn Express & Suites—Lake Zurich**. Wake up refreshed and ready for Day 2. We can help you discover more getaway spaces in Lake County and nearby!
